**DECLARATION OF MARK GOODWIN
IN SUPPORT OF PETITION PURSUANT TO 37 C.F.R. §1.47 (a)**

I, Mark Goodwin, declare as follows:

1. I am a Chartered and registered patent attorney in the United Kingdom, and I represent Mix U.K. Limited (hereafter "Mix") of Bolton, Great Britain.
2. I filed and prosecuted International Application PCT/GB2005/000227 during the international stage. On information and belief, the above-identified patent application is the U.S. national stage of that international application on behalf of Mix.
3. Annexed Exhibit A is a true copy of an assignment in which the inventors in the above-identified patent application assigned the invention to Mix.

4. On information and belief David Holder was employed by Mix at the time of making the invention and when the above-identified patent application was made. Under U.K. law, the invention would therefore be the property of Mix.

5. I have been informed by the law firm of Adam F. Greenhalg & Co. in Bolton that David Holder died intestate on December 28, 2006. They have received a power of attorney from and represent his widow.

6. On information and belief there currently exists no officer who is authorized to administer Mr. Holder's estate, under local practice, it typically takes about 8 months to appoint such an officer, but it could take as long as 24 months.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the above-identified patent application or any patent issued thereon.
